

## Distribution schedule

P026 version 1.0 2025

Opening dates for scheduled rounds in Equalis' external quality assessment schemes 2025. Alterations may occur and will be announced on [www.equalis.se](http://www.equalis.se). Information about alterations for when a round opens are also sent by e-mail to participants in the EQA schemes concerned.

"Round opens" usually coincides with dispatch date for the sample material. In a few EQA schemes, the sample material is dispatched in advance for several rounds. Participants are then notified by e-mail about dispatch date.
